Sir:

SUPPLEMENTAL OFFICE ACTION RESPONSE

This is a supplemental office action response to a previous response that was sent on September 11, 2006. In that response a reference was disqualified under 35 U.S.C. §103(c). Applicants now realize that disqualification was inappropriate and applicants accordingly withdraw the request to disqualify the reference.

AMENDMENT

The purpose of the amendment is to place the claims in condition for allowance. The claims now require an ashless antioxidant dihydrocarbylthiocarbamoyl from about 0.5 vol% to about 2.0 vol%.
